“ *Dear 6th grade friend,
You was so vibrant full of life, I always tried to make sure you were okay as I moved to Charlotte and etc. like any friends we had the best of times we had the worst of times. But what I've gotten from you was to just roll with the punches life threw at you! I will always remember the times we had and etc all the laughter , the jokes, and me cooking since I'm a chef you was the best food critic lol . Well I say this to you! I had great 3yrs of bonding and I want to say that you will truly be missed buddy ! And my heart ❤️ goes out to your family and other close friends as well! I will just always keep the positive memories we had ! As you used to say or call me Chef Taye . Well chef Taye is signing off now! Much love piece and blessings your 6th grade friend!*
