“ Sonya was a good mentor to me when she retired from Zions Media Ministry and continued to share her passionate concerns. Remembering you and your family Keith... May love and memories help soften your sorrow and fill you with God’s peace. Thinking of you with caring prayers in your loss.

“ I have too many memories to post of my grandma! Weekends, birthdays, holidays, school, just a whole lot of memories! My grandma was the 1 person in my life whose love I NEVER had to question. She was always there for me and always worried about me. I miss watching my favorite movie with her, reading books to her before bed (sometimes she fell asleep before me) I miss her phone calls. She called me every Sunday. I have so many voicemails that hurts to even listen to. She was everything to me. She had a huge part in my growth and I am beyond grateful to have been able to experience her presence. And I'm so grateful to be able to call her Grams. I am so hurt and sad that I can no longer call her and check in but also happy that I can always hear her voice when I need to. I miss you grams 💙
