“ *My heart is broken and I continue to pray for the family. Sonya and I met back in 2009 when we both started working at the HEC/VA. We became fast friends and had many great adventures together. I am not one to make friends easily, but Sonya was SPECIAL! She was always there to lend a shoulder and an ear when I came to her with my many trials and tribulations. She was always concerned for me and my family.*

I will miss you tremendously. Love eternally...My Girl...We will see each other again.
