“ I remember the first time I met you. I told the rest of my fraternity Brothers that I wanted to raise the bar for Dewayne and so I brought you a 'massive' bouquet of flowers, which ended up being the topic of discussion for a while between me and my late fraternity Brother (Emmanuel) :) You were delight - a wonderful wife, mother, and grandmother.

I am honored to have crossed path with you in this lifetime. Sleep well!

*My first time meeting Sonya was in our 10th grade homeroom at Toulminville High School in Mobile Alabama. After high school we were first time college roommates at Faulkner State Jr college. I have so many fun memories of our time together here on earth. Even though life took us in different directions We remain friends and the last time we shared were some of our best as we were looking forward to having a play day with our grands.*

*Take your rest Roomie and you will forever be in my heart. C/O78 THS Rattles4life 🍷💚👤*

“ My Beloved Sister in Christ, Sorority Sister Bestie, and Dearest Friend, I simply cannot believe the reality of this moment. I know that your impeccable spirit lives on, and we will reconnect as Committee Co-Chairs again, and carry on with the many laughs, bright ideas, and endless sharing like we did for the GCAC 15 yr Charter Anniversary. You made that 12 month planning adventure so much fun! I can literally go on, and on, and on about my fond, and lifelong memories of you! Thank you for loving my family, and me, and for ALWAYS giving so freely of yourself. In my Sonya Perry Voice, “Girrrrrl, I love you, but GOD loves you best”!

“ I will miss Soror Perry dearly.

*She was such a distinguished diva so full of class and style. I will always remember her for being so kind when I first moved to the area and joined GCAC. She quietly came over and gave me a gift that she had engraved just for me. I will forever remember her act of sisterly kindness. I will also remember how extremely proud she was of her children. She would beam with pride during our sorority gatherings as she provided us with updates and shared their accomplishments. Her eyes would sparkle and her face would literally light up whenever she mentioned their names. Her motherly love was evident and she was such a shining example of sisterhood for me. Please know that she leaves a legacy of love, class, and kindness that will never be forgotten.*

*May God provide you with the peace that passeth all understanding!*
