“ *Sending my love, prayers and condolences to Shannon, Francine and all who knew and loved Spencer (Emmett). I have knew him all my life, and he always played a big part in it. Shannon, just know we are together as little girls , and we are still together now. We have always been family and that will never change. The Fry family will always be your family. May God continue to wrap his arms around you and give you all strength through this most difficult time. Always remember I am here. Rest in Paradise Spencer Brown you know I love you. Donna*
