“ I worked at Turner many years ago and one of the things that I most cherish about my time there was some of the friendships I made along the way. Included among those was Stanley Allen. He always had a smile and was always willing to help. Like so many have expressed here, he will be truly missed. Condolences and prayers his family and many friends.

Stanley could light up any room. He was a bright light which will continue to shine in his absence. Praying that you all will find comfort in the love, laughter and light he shared. Keeping you in my prayers.

“ Stanley and I worked with each other for several years at Turner. He had to be one of the kindest souls ever. He was always smiling and had a laugh so loud you heard him coming down the hall. He was a great person and better friend.

“ We tend to live like life is the promise and death is the mystery, when the total converse is true. While it pains me deeply to write this note, I am comforted with all the memories this gentle giant showcased. I know he is resting peacefully, tickling the cherished souls he has encountered. The world's loss is truly Heaven's gain. I am going to miss you much King.

“ Stanley was extremely hard working and competent but also fun and enormously kind. I loved every moment I worked with him, from 1980 to 1987. I wouldn't have missed knowing him for the world. I'm so sorry for your terrible loss, but of course Stanley is in Heaven, at peace and of course, having a laugh. God bless, Laura Bulkeley Goldsmith
