“ Uncle Stanley, you will truly be missed. I will definitely miss our weekly phone conversations. You have always been a loving. Caring and devoted Uncle and Godfather to Me. You always was calm and never raised your voice. You had such a contagious laugh. You touched many lives and was always there for others in their time of need. I was blessed to have you in my life. I wish I had the opportunity to see before God called you home. The last time I saw you was in 2018 when I came to South Carolina to visit my dad's grave site. I remember us sitting outside on the front porch just reminiscing on the good times we had. You will forever be in my heart. You are now in God's hands. May you forever rest in eternal peace. I Love You Uncle Stanley. Love Always, Your Goddaughter Kisha💔💔💔💔💔💔💔💔💔

“ Stanley Dickerson was born in Brooklyn, NY, on July 4, 1944 married & divorced to my mother Marguerite DeLeon, with whom they had two children, a daughter Salema Nicole Dickerson a son, Robert Stanley Dickerson, who survive him, along with 9 grandchildren and 12 great grandchildren. During his life, Stanley worked for the Ford Motor Company in Metuchen, NJ, and the NYC Department of Sanitation (he was proud to be a "San Man").

He loved his children, and '60s "do-wop" music, which he harmonized on the corner with his friends until the police told them to go home.

"Stan D", My father is a one in a kind man! Just want to let you know that I Love You Daddy and thank you for Everything and leaving me with ALL these memories. Love And Respect to ALL my Family.
