

Stanton Louis Moore

June 2, 1963 - August 31, 2020

Stanton Louis Moore was called home on August 31, 2020 after a long illness. Born in Shirley, MA, he was the son of Betty Landrum (Norris) and Lindsey Moore (Elaine). He was a member of First Baptist Church Atlanta. Next to his only daughter, Neriah, Stan's greatest joy was music. In his teens, he opened a nightclub in Boston. After moving to Atlanta in 1986, he ran a successful mobile entertainment company for 25 years, Stanton Louis Productions. Known as "DJ Black", he was a talented musician, writing over a hundred original music tracks. His loving parents, wife Tobi, daughter, sisters, brothers, aunts, uncles, cousins, nieces, nephews, friends, and church family will miss his joyful smile, music and conversations about the Lord. In lieu of flowers and gifts, please donate to a college fund for Neriah Gabrielle Moore.

“ I am Cora Cooper Franklin, second cousin to his mother. I never met him but I did know his Mom. Soo very sorry to hear of his passing. I know he will be missed. To my cousin Betty, “Weeping may last for a night, but joy comets in the morning “. Stay strong and I am praying for you and the rest of the family.

When you lose a cousin, you reevaluate your own life, your own mortality, because their age wasn't that far off from yours. ... When you lose a cousin, you lose a family member. A friend. Someone who you loved (and still love, will always love) with every ounce of my broken heart.

Did not know how musical Stan was! We were so glad to hear that he had accepted Jesus as his Lord and Savior, thereby becoming our brother in Christ. His pain is gone now and he can see and sing to his heart's content! See you later, Stan! Jack and Anita Winters--Eternal Seekers' class at FBA

I have known Stanton since he was a child and since that time, I marveled and celebrated at each milestone he achieved along his journey; i prayed for him and his family as he experienced the pain and suffering in his life. He gave us so much joy and left a beautiful musical legacy for his daughter. His mom, Betty and I go back more than 60 years and are sisters in so many ways. Tobi and Neriah I am always here for you and wish you God's grace and mercy at this sad time and going forward.
