“ Kellie, I was deeply grieved to hear of your loss. I pray the peace that transcends all understanding upon you and your family. Please take comfort in knowing absent from the body is present with the Lord. Ms. Steen is blessed in that she fought the good fight of faith and now lays hold to eternal life. I praise God that she is loved and admired by so many people. It is a clear indicator of a life well lived. I pray you find joy in the love so many others share with you. We grieve for the loss on this side of the Jordan, but we praise God that another saint has made the journey safely home.

“ Steen,

I am going to miss you my friend. Your contributions at WXIA 11Alive and in the DeKalb County community will be dear in our heart for many years to come. I remembered the day you recommended my hiring at 11Alive{NBC} as one of two Political Analysts. When I saw you at Greenforest Community Church a few weeks ago, we had a very good exchange and I thank you for all you had done for me at the station. Now you are home with God resting in his arm as a very faithful servant. Your life is now forever in heaven. I am going to miss you Steen.

“ *My Friend, we grew up on the South East side in South Bend, Indiana. I knew her father Reverend Davis and all of her siblings who is now at peace with God. In South Bend she was on the radio "Steen King on the radio scene" At that time it was a honor for an African American to even be a DJ we were so proud of her as you know then it would always be after hours. Steen we shared our ups and downs, I heard that you don't have to see each other or talk to each other everyday to remain friends and Steen was that to me. Here in Atlanta she was known as Steen but I knew her as Ollisteen. I will truly miss you my sister in life. Rosie Lee Burks-Walker.*

“ *My family and I are sorry for your loss. The Bible at Revelations 21:4 promises a time when mourning will be no more. It also promises the human family will have the prospect of enjoying life without end, free from all sickness and disease. You have the prospect of being reunited with you loved ones right here on earth but under very different conditions.*
