“ I saw Stephanie about 6 months ago at a party. When she walked in she lit up the room. I will always remember her laughter, it was full of joy. You were guaranteed to have lots of fun, whenever you went anywhere with her. She will truly be missed. To the family; Stay strong.

“ My deepest condolences go out to my cousin Andre and the entire family. I had just spoken to Stephanie like a couple of days after my birthday. They had called me and we was laughing and joking and reminiscing about when you came to New York. We were talking about how we couldn't wait for my trip there and how much fun we was going to have. But now, I won't get the chance to. You are surely going to be missed. You Sleep in Paradise now my dear cousin. Love always Wanda

“ Stephanie and I Diane Collins have been best friends over 30 years I'm going to miss her. the last time I talked to her was two weeks ago we was talkin about making a movie and get rich because some people just don't know how to make movies. you have to pre proof the film before you send it out and her and I saw a lot of mistakes in movies that was funny. I love you and your family and they are going to be ok RIP.

Words are still hard to find ,and I am still fighting with disbelief of Stephanie passing. To Toya, Angel & Kenny know that you are not alone. The road is a little right now but know, it will slowly get easier. Love you guys and know that you are always in my thoughts and prayers.
