“ I thank our creator for the 54 wonderful years, that he blessed us with Steve. My deepest and most heartfelt condolences , sympathies , prayers, and meditations to Steve’s family , friends , colleagues, and everyone that his God-Given energy and radiance impacted. Heaven gained an angel, when Steve transitioned. Maybe, it was about the U or The Cowboys ? But it was definitely about Steve being amongst the Saints God called to come marching in.

*Steve smile was like sunshine. I didn't see him much, however when I saw him he would always have a pleasant smile and would share with me his Love for Delta Airlines. We both worked for the company until my retirement many years ago. He was a beacon of light and lived life with zest. God please give the family strength to endure. Love you Steve....Your Cousin
