“ *My darling son, words cannot describe the effect of your passing. I miss your hugs, your kisses on my forehead and always asking if I am okay, you were my biggest protector and my heart breaks every time my mind reminds me you are no longer with us. You had a giving heart that would give your last to someone that needed it. I will continue to cherish and remember your gentle spirit and all the good times we had for 37 years. Love Mom*

“ Stephen!!!! I'm gone miss the way you loved my friend! I remember when I first met you I thought you were mean and quickly learned that you're a gentle, kind and loving man! You always prioritized your wife and that's what I'm gone miss the most! It's not a time I got in her car and you weren't already on the phone or quickly calling to check on her. I love me some Taylors! Get your rest and you will be missed tremendously! ❤️🙏👍
