“ Steven was a dear friend from high school, Chicago Vocational High School. We shared many competitions in the business department and remained connected after graduation. His comments, compliments, words of encouragement, purity of heart and soul always drew me in and made me glad that he was my Cavalier brotha. We shared ministerial pursuits and prayer requests, ideas, and support of the other in our many life endeavors. When my dear sistafriend Natalie and I had not heard from him in a very longtime, we were concerned and contacted each other and our classmates to see if anyone knew anything. While rifling through papers last night (11/15/2022), I came across his address where he purchased one of my books and decided I'd try to connect. After internet searching and calling his former employer, I found out that Steven now rests with the Lord. My heart is broken in the earth realm, however, excited that he is with the Lord resting and enjoying heaven. My friend Natalie and I cried today at the knowledge of Steven's eternal absence in the earth -- we do relish the memories, thoughts, inspirations, commendations, jokes, and all that we shared with him. I pray that his family is well and moving forward in peace and comfort as the one-year anniversary of his homegoing approaches.

“ What a blessing and joy it was to know Steven He was such a great spirit and there are so many memories. He immediately fit into our family back in the 90s when he relocated to Atlanta. We are glad he knew that we loved him. We are even more glad that Steven knew the Lord. He will be forever in our hearts.

“ *Steven was not just a co worker to me but my brother and friend. He would always call me sapphire. The bible says to be absent from the body is to be present with the Lord. During the good days and the tough days ahead I know he will be looking down says “keep going you can do it with a big smile”.*
