“ Sue was so blessed with a loving and caring family, and friends. Her kindness was warm hearted and always welcoming. She always welcomed you with a smile and opened arms. Although I'll miss seeing her, I know she is with a living and embracing God.

“ Our Cousin Sue was an amazing, beautiful and blessed woman. Some of our favorite memories of her come coupled with a house full of family & friends. Whenever we would get together, she was always the focal of the room. She was never at a loss for conversation which she offered even to the youngest of kids. She will truly be missed by all of us and may God comfort our family and friends and we morn her loss.

*Love and Blessings to everyone as we celebrate her life!

“ My cousin Sue was an amazing woman. She used to always give us a laugh and a huge smile whenever we came around. She joked with this constantly and I loved her beautiful spirit. I was always impressed at how she stayed hip well into her 80s 90s and 100s. She will definitely be missed by all who encountered her beautiful soul.

“ I was honored to have known Mrs. Susan Hill. I will always cherish her birthday party my husband and I attended in 2015. I will always cherish the "big smile" on her face when she arrived at her party! She was totally surprised and elated to see all of her family and friends, it was a "beautiful" birthday celebration. As our relationship grew with Linda, Lisa, Roshe, Sam, she became "Ma" to me.

*Much love to all of you as you celebrate her life!*

“ I am honored to say a few words about my Aunt Sue she loved her family unconditionally. I am proud to say that I am her niece. She loved all of her nieces Barbara, Jean, Patricia, Sue Carol, Doris, Yvonne (Pete) Denise and myself.

*I remember as a child growing up she was very firm but still cheerful and loving, I loved being around her. She would dance and clown around with us when we were growing up she was so funny. Her home was our second home she treated her nieces the same as her own children. She was an incredible cook, just to let you know those Nelson girls could cook.*

*To my cousins Elton, Linda, Mary, Grandchildren and Great-Grands, Aunt Sue loved all of you. All of you continued to show her love unconditionally you put life into her soul to want to live. God assigned each of you a role in taking care of Aunt Sue. Her Grands assisted in taking her shopping, hair appointments and special days out just for lunch. Each of you put your own joy into her from the oldest to the youngest. She was so blessed to see and meet her Great Grand babies that came into this world last year. Linda you are the Chief Care Provider for your mother, I truly love you for being the person that you are, you provided all of her wants and needs and you gave her excellent care. All I can say that we learned from the best to understand and know how to treat and care for our parents. Elton you exhibit and showed so much love to your mom, you were the most loving son that a mother could have. I use to watch you take her hands to making sure she was safe walking with you. I do know that you called her everyday to talk to her on the phone. I guess you wonder how I know that? Well Elton if you called your Aunt Leila every day to check on her I do know you called your mother every day. You were a wonderful Son, see Jr. you speak life into her soul, Aunt Sue love you so much. Maryellen the baby girl you are the ROCK of the family. Keep on being strong cousin, God set the stage in in your life, you had a different roll you are the strong sibling. You have a kind heart and you are very calm, you keep everything within you. You have your Granddaddy (J Nelson)*

*sprit in you. Thank you for being there for Aunt Sue. God put all of you in a position to do what you suppose provide for your mother.*

*All of you are so blessed to have her until the age of one hundred years and eleven months. Rejoice she is with our Almighty God.*

*I will always keep Aunt Sue and my mother in my heart until the day I die. Continue to look after one another continue to keep love in your heart for one another. Love you cousins. Continue to be blessed and my prayers for you in Jesus Name.*

“ My Aunt Sue was definitely one of a kind. She was always happy to see me and Arthur aka blue Suede shoes, a name she affectionately gave him. She loved and was protective of her nieces. She loved talking junk and you dared not walk pass her without a pinch on your back side. Her last request to me was "When are you coming to see me". I fulfilled that request before she passed away. Jr., Linda and Mary i will always be here for yall. Knowing too well what you are feeling i can promise you that God will put no more on you than you can bare. RIP my love until we meet again.

“ Working in the Home Healthcare Industry, you can't help but have your Favorite Patients; mine was most definitely Miss Susan E. Hill, who affectionately nicknamed Miss Freddie, and she called me Miss Eddy. The memory that comes to mind along with so many, was when we were dancing to "Happy ". Miss Freddie out lasted me, I was the one that was winded after the song, needing a blood pressure check. I want to truly thank the Hill/ Hicks family for welcoming me into to their home for 3 yrs. There's so many more memories that I will dearly hold close to my heart.
