“ I miss your love, since you've been gone  
I find it hard to go on  
The summer sky don't mean a thing  
I thought I'd always be strong  
I got a feeling inside  
And it's making my heart cry, 'cause  
I'm missing you  
And it's making me blue, yeah  
I'm missing you  
What can I do?  
Thousand miles away, from you  
So here I am and everything's new  
I should be happy in love  
But all I know, I look deep in my eyes  
I've never felt so alone  
And this feeling inside  
It's making my heart cry, 'cause  
I'm missing you  
And it's making me blue, yeah  
I'm missing you  
What can I do?  
Thousand miles away, from you  
So what's the meaning of this?  
To be living like this  
It ain't no fun at all (it ain't no fun at all)  
I wonder where are you now  
(I wonder where are you now)  
I miss your love since you been gone  
I find it hard to go on  
And this feeling inside  
I just break down and cry, 'cause  
I'm missing you  
And it's making me blue, yeah  
I'm missing you  
What can I do?  
Thousand miles away

*I'm missing you  
And it's making me blue, yeah  
I'm missing you  
What can I do?*

*Still love you Sanski*

*Though I'm missing you  
(Although I'm missing you)  
I'll find a way to get through  
(I'll find a way to get through)  
Living without you  
Cause you were my sister, my strength, and my pride  
Only God may know why, still I will get by  
Who would've known, that you had to go  
But so suddenly, so fast  
How could it be, that a sweet memory worthy would  
Be all that we've have plan  
Now that you're gone, every day I go on (I go on)  
But life's just not the same (life's just not the same)  
I'm so empty inside, and my tears I can't hide  
But I'll try, I'll try to face the pain  
Though I'm missing you  
(Although I'm missing you)  
I'll find a way to get through  
(I'll find a way to get through)  
Living without you  
Cause you were my sister, my strength, and my pride  
Only God may know why, still I will get by  
Oh, there was so many things  
That we could have shared, uh-huh  
And time was on our side (time was on our side)  
Oh, yeah  
Now that you're gone, I can still feel you near  
So I'll smile, with every tear I cry  
Though I'm missing you  
(Although I'm missing you)  
I'll find a way to get through  
(I'll find a way to get through)  
Living without you  
Cause you were my sister, my strength, and my pride  
Only God may know why, still I will get by  
How sweet, were the losses to spare?  
But I'll wait for the day  
When I'll see you again, see you again, yeah  
Though I'm missing you  
(Although I'm missing you)  
I'll find a way to get through  
(I'll find a way to get through)  
Living without you  
Cause you were my sister, my strength, and my pride  
Only God may know why, still I will get by  
I'm missing you*

*Still love you Sanski*
