“ I have always seen TaFahree as a respectable and sweet young man. As a child, I remember him being so funny. Everytime I would see him, he would come stand next to me and say "I'm almost taller than you". Before we knew it, he was saying "I'm taller than you now", which didn't take long by the way. He loved outdoors, he was always blocking the driveway playing basketball.

He wanted to be just like his Dad. I remember a time when he and his Dad was outside working on his mom truck. He was so into it, you would have thought he fixed the truck by himself. He was always the little helper and ready to lend a hand.

It's so many wonderful things I can say about this family. Sam and Alexis, you have been blessed with TWO great men and protectors in your life. He couldn't have asked for a greater mother and sister.

The road we travel doesn't define who we are. Tafarhee you are now at peace and reunited with your Dad. Peace knows no existence, only God does.

Rest in paradise Tafree.

“ Our son Nashim and Fahree met playing 5th grade football. Who knew we would soon move into the same neighborhood. As soon as Fahree realized he knew the new kid, he and the boys came over. Since that day they've been bros. Fahree was more than just a friend. He was like family. We will forever love and miss him. REST IN PARADISE FAHREE❤️ Nashim and Family

“ Thinking of you all with deep sympathy. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. With caring thoughts.

“ Fahree, is and will always live in our hearts as a gentle, slightly shy, and kind spirited young man. Thinking back on our very first meeting/interactions with the Maynards and our pets got into a fight and we all received an unforgettable result. The result forged a life-long brotherhood between my son Aj and Fahree. Fahree is AJ's big bro and no matter their differences via X-Box or shooting b-ball in the driveway in the presence of their dads nobody could deny the bond. Fahree we will miss you walking up and down the loop, taking a second to ask “what's up/how are you doing, and most of all your willingness to help. The “LOOP” will forever love you!!!

“ I remember when Fahree was about 5 or 6yrs old. We were leaving out of QT and as always Fahree held the door open for me with his little body. When I looked back for him he was still holding the door open. I said, "Fahree, what are you doing, come on". He looked up at me still struggling to keep the door open with his little body and says, "but mommy you and daddy said gentlemen should hold the doors open for ladies". I couldn't do anything but smile, because that's what he was taught. Even at 18yos, he would swat my hand if I reached for a door handle.
