“ Dear Richey Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “ There will be a resurrection of the righteous and the unrighteous” May you have peace and comfort as you think about this beautiful hope for the future.

“ It' so many memories that I would like to share, I can't stop thinking of all the fun times we shared over 35 years! You kept it real with me all the time. Even though my heart aches, I know God knew what was best. You will be greatly missed, love you!

“ Words can not express how I am feeling right now. Tot was more than my best friend, she was my sister. There are so many memories I have and she was always being the big sister for both Carin and myself. We were the trio with a bond that could never be broken. Tot my sister, I love you with all my heart and I will continue to carry you with me.

I know that you are in heaven looking down at us. Heaven gained a beautiful angel!!!!!!

I LOVE YOU SIS
