“ Our deepest condolences are with Mr. Curry and their sons and grandchildren. The Stevenson family was introduced to Mr & Mrs. Curry by Pastor Thomas for Bible study. We wanted to be baptized. He suggested we learn and understand more of what we had in store. And he couldn't have placed us with a more loving, nurturing and caring duo. We gained a family. Living in Houston away from our former home church and church family was tough. However, we've always maintained contact with the Curry's. It was birthdays, anniversaries, Christmas, Thanksgiving. We communicated often. Mama C" is what I called her. She actually loved that name and began to sign cards that way. A pure soul is now with our Lord and Savior. Papa C" our hearts are with you and the family. She will be deeply missed. I am humbled and honored to have known such a precious woman a God fearing non-judgmental person. We love you dearly! I sincerely, appreciate the love and kindness you so graciously extended to us. Love, Marshall, Ericka, Camden and Taylor. Again, our hearts and prayers are ascending for you all. She's in a much better place and we can't wait until we meet again in the Kingdom of heaven.

“ I remember my early years, when I was so anxious to travel with my mother or by myself to stay with my cousin Tamah and George. She loved my mother very much and was almost like a older sister in the family. We called here Tauntie Tamah, because in a way she was also like an aunt, even though she was just my cousin. I looked for when we went to church on Sabbath and the dinner afterwards. Everyone knew the Curry family. I remember when I first met the boys. As a child myself, I could see how mischievous they were, but they were my cousin's two babies. Over the years as I got older, I lost touch with my cousin, but always looked forward to seeing everyone at family events.

This now an era in my life that is now in my family history books. I send my deepest sympathy , condolences and love out to the Currys.

God is Able and He will see you through.

Your Cousin

“*Brother Curry,
We are forever grateful to know you and to have known sister Curry. Words cannot express the magnitude of our sorrow. She was a tremendous force in our lives and in the lives of our children, especially Moriah. She is deeply saddened that she can no longer hug her, laugh at her jokes, and share her kitchen with her creating delicious foods. We all will miss her dearly, but have so many beautiful memories of her that we will cherish forever. We love you sir and will always be here for you! Can't wait for that "Great gettin up morning " Sorry we won't be in attendance live as we're all out of town, but our hearts ❤️ are with you. Love, Elder Lenny, Mona, Joseph & Moriah Morant*

“*We didn't have an opportunity to meet Mrs. Curry personally only virtually. But to the family just want you to know that what she did for my granddaughter meant so very much to the both of us. It was my granddaughter's 1st school year at Hillside SDA and Mrs. Curry agreed to meet with her every week which contributed to lower her tuition. But they became so close. They cooked via online went on virtual field trips they exercised and they enjoyed drawing together. When we found out she wasn't well Ashtyn would send her Get Well cards every other week to cheer her up. This has been really hard for her but I Thank God for the time she had Mrs. Curry, those memories will forever be in Ashtyn's heart. Prayerfully Ashtyn will pour into another child's life as Mrs. Curry poured into hers. Love and Blessings to All the Family

“ Elder Curry,

Regina and I are sorry to hear of our dear sister passing. But we are glad that she is no longer suffering. And we thank our dear Saviour who is the Resurrection and the Life that this separation is only TEMPORARY. One day soon, as you know, we will be reunited with her and all of our loved ones!

"16 For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first. 17 Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord. 18 Therefore comfort one another with these words. 1 Thess 4:16-18 (NKJV)"

Family,

Praying for you during this time. Tamah Curry performed whatever task, job, or office she participated in or led well. She was a strong leader at church in various positions. Even during Covid, the Currys made sure there were activities to keep the church family engaged and involved.

The Family Life, Sabbath School Dept., and Strategic Planning Committee were all departments that prospered under her leadership. We will remember the fun social gatherings at the Curry's and the enjoyable "Family Life Cruise" that participants still talk about with fond memories, today. Thank you for sharing her with us, and thank you, Curry family, for choosing to be a part of Atlanta Blvd. May God be with you.

“ Greetings Elder Curry! It’s Geannie Thompson I use to be Geannie Watson. I offer my condolences to you and your family. I love Tamah Curry and appreciate her kindness towards me and my family. I would like to share a text message from her in November 2021

Hi Geannie, I so-o-o apologize for not recognizing you in your mask today. It was good to see you! Your song was beautiful! You have such a lovely voice. Even though it was a little song that we all know, you made it beautiful.

On another note . . . I still appreciate you visiting me during my illness. That is still a source of comfort to me. Thanks...”

I read over it and smile. I thank God for her. Love you Elder Curry and pray for God’s loving arms to comfort you! ❤️💜🖤❤️💜🖤
