

Mrs. Tanisha Agee Bell

June 21, 1974 - October 19, 2022

Tanisha Agee-Bell was born Tanisha Denae Amelia Elizabeth Agee on Jun 21, 1974, in Boston, Massachusetts to parents Elizabeth Carol Smith and Ralph Agee. Tanisha graduated in 1996 from RPI with dual bachelor's degrees in Biomedical and Mechanical Engineering. While working as a summer intern at Procter & Gamble, she met Rashid Bell. They married in 1998. She worked as a process engineer and team manager at the Noxell Manufacturing Plant for two years before retiring from her engineering career to become a mother to her three young daughters.

More than anything, Tanisha was deeply devoted to her family. Her life will continue to be celebrated by her five children, Amari, Lydia, Erin, Nathan, and Stephen; her father, Ralph Agee and his wife Myrtle; surviving uncles, Joseph "Foods" Agee Sr. (Bernette), Moses "Pokey" Agee (Connie), Ronnie Agee, & Dennis "DB" Agee; a host of loving cousins; a strong family of sisters from Delta Sigma Theta Sorority, Inc.; a plethora of friends; and her ever faithful canine companion Boots. Tanisha was preceded in death by her mother, Elizabeth Carol Smith, uncles Rudolph "Rudy" Smith Jr and Ray Agee (Sheila - living), and brother Rhalan Agee. Tanisha accepted the invitation of her ancestors, joining them on October 19, 2022.

In lieu of flowers, please make donations to Boston Latin School, City Gospel Mission, or Snellville Performing Arts in honor of Tanisha Denae Agee-Bell.

“ I remember meeting Tanisha and Rashid several years ago when they attended the MCC WayFarers class for a season. Tanisha brought a depth of wisdom to our Bible study that was greatly appreciated. During a time when she was ill, we took a meal for the family to their home and I could not help but admire her positive attitude and determination, even though she could not rise from the sofa. She was an inspiration.

“ When I came to MCC, I was alone and did not know anyone. Tanisha lifted me up and became my friend and mentor. I loved the gingerbread parties at her house! I loved serving with Daughters of the King together. I loved just listening to her love of the Lord, her guidance and her realness! She always told it like it was, and that was really needed! I will miss her dearly.

“ Farewell my friend, you're leaving.
It's time for you to go.
Your friendship was a blessing,
And I will miss you so.
We shared so many smiles.
You brightened up my days.
You brought me so much happiness
With your kind and loving ways.
God is here to take you home.
Now you and I must part.
I will miss you my sweet Soror, and forever
You will live within my heart.

“ My favorite memory of you Tanisha was beginning the Daughter of the King program with our middle school daughters and their mom's. I loved doing life and ministry with you through Even trade. Coming to visit you this summer was so awesome! I loved every minute we spent sharing about our family, friends and lives. You were not just a friend but family to all of us, a mentor and sister in Jesus to me. Our hours and moments of prayer together made a difference. One sweet day in heaven we will have a joyous reunion. We send our love, hugs and many prayers for the entire family right now and in the days ahead. I am sad, but happy, God chose to finally take you to live with Him, also to give you the ultimate healing, no more suffering and no more pain, see you in heaven on sweet,sweet day!

“ I met Tanisha and her beautiful family at church. We served together in the children’s ministry. I quickly connected with her and grew to love and respect her. She inspired me to be a better father and advocate for others. Our children became friends and even though we all ended up many miles away from one another - social media allowed us to stay up-to-date on our lives (even though I could never keep up with the Bell Family trips and life lessons). My most cherished memory of Tanisha was election night, 2016. She and I watched results roll in with our daughters (Erin & Maddie) while talking about our desire to create a better world for our children. That, in my opinion, captures Tanisha. She was constantly striving to make this world a better place. For that, I’m grateful. To her family - I’m terribly sorry for your loss. You will always carry her with you and continue to make this world a little bit better...because of her legacy.
