“ This truly is one of the most saddest moments in my life besides when Grandma passed away. I love you forever Shawwna you were my best friend, My sister. You taught me so much in life. You always had my back. Words can't describe how I feel right now. I want you to know when we were in your car that day, you're words did not go unheard. I love you so much I will carry you through my life with me since yours was cut short I love you forever. you will not be forgotten.
