“ We can't begin to imagine what you are feeling, but please let us share our deepest sympathy. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away.

“ My name is Andre' (Tank). Tavares was my brother and he was solely responsible for teaching me how to be Father and also the dignity that comes along with hard work. Mrs. Tina you took me in, embraced me, and demonstrated the exact same love, as if I was your child and I will forever cherish those moments, memories, and lessons. Tavares was the epitome of a stand-up guy, he was a avid learner and never missed an opportunity to share any information he learned himself, that he thought would interest or help others. Nothing and no one came before his children, he'd give you the shirt off his back, and share a meal with you over a positive conversation. Your 3 Kings help shape the Man I am today. I love you Mrs. Tina and I'm sorry I wasn't there 2day. 💔

“ Tavares was a very good and trustworthy person. He had a good heart and didn't mind helping anyone. He loved his Mom and his brother and God did he love his Grandma Dot and Mr. Steve his granddad that was always there for him and us. Tavares was a gift from God to me as well as he was to others that came into his life . He loved his family and friends. They were his life . I will miss him but I will see them at the cross road. I love u Tavares forever.
