“ The Dickens Family,

First, my condolences and prayers for the family. Additionally, Thank You for over the years allowing and sharing Taylor with our family, always a pleasure to be around, share a laugh, our son Spencer's friend and classmate. He was always respectful to us at our home and when crossing paths out in the general public community. We have so many pleasant memories to hold on to.

Again, Thanks for sharing Taylor with us during his formidable years

“ Dear Loretta, sending my deepest condolences to you and your family.

My heart goes out to you.

Dear God,

Please take the soul and spirit of this dear departed one into the sweetest corner of Your mind, the most tender place in Your heart, that Taylor, and I, might be comforted. For now Taylor has gone, and I pray, dear God, for the strength to remember He has not gone far.

For Taylor is with You and shall remain so forever. Taylor remains within me, for we are all in You together.

The cord that binds us one to the other cannot be cut, surely not by death.

For You, dear God, have brought us together, and we remain in eternal connection.

There is no power greater than You.

Death is not Your master, nor mine.

These things I believe and ask my heart to register.

I surrender to You my grief.

I surrender to You my pain.

Please take care of Your servant, my dear one who has passed.

And please, dear Lord, take care of me.

Amen.

Love you Julio

“ Taylor and I worked together for over ten years. He was a kind, respectful, funny young man and over the years I began to refer to him as my “Work Son.” I especially remember how excited he was about the birth of his sons and being a dad, and I am truly heartbroken that he will not be here to see them grow and thrive. My sincere condolences to the family as I know you have suffered a tremendous loss. Taylor was an awesome young man and the world is a less bright because he is no longer here.

“ My memory of Taylor as a friend and coworker is when he would come into work eating peanuts from the vending machines every other night and the garden he grew, and all the great conversations, advice, and jokes we shared working overnight and outside of work. Taylor had a great personality very humble and a great friend and an awesome father and husband. I am truly going to miss him and that goofy laugh! Gone way to soon!
See you later bruh!
