“ My condolences to the family and friends of Tenisha during this difficult time. May you be comforted by your loving memories, family, and close friends. Know that our Heavenly Father Jehovah is near to us in our time of need. Gods word the Bible assures us a time when sickness and death will be done away with, (Revelations 21:1-4 Isaiah 33:24) and a time when will reunite with our loved ones again (Acts 24:15 , John 5:28,29) Draw close to God in prayer. Philippians 4:7 tells us that God will grant us the mental peace we need by means of Jesus Christ. May this peace be with you now, and the days ahead. “ My heart is with the family of Tenisha Brewer. I value the time that I knew you. We have done so many things together from being pregnant at the same time and moving into our apartments at the same time. I have so many great memories of our friendship. My heart aches but I am okay knowing that you are with the Lord. I wont forget our last conversation, or the last time we saw each other. You had my back and I definately have yours. I loved you as a sister, but GOD loved you more.

“ I offer sincere condolences to the family and friends of Ms. Tenisha Brewer. May you gain comfort and strength as you keep in mind: "God sent his only-begotten Son into the world so that we might gain life through him." ~1 John 4:9. That provision made it possible for us to look ahead to the time when "death will be no more" and "all those in the memorial tombs will hear Jesus' voice and come out." (Revelation 21:3-5, John 5:28,29). God is faithful and always keeps his promises!

“ When Mr. Henderson introduced both Jada and myself to you last year I had no idea that you would have such a huge impact in such a short period of time. The love you showed as well as the time you spent with Jada was truly priceless and will not be forgotten by either of us. May you Rest In His Presence.
