Obituary for Teresa L. Melton

Teresa Levonne Melton was born on March 19, 1959, in New Haven, CT to Mr. and Mrs. Willie and Deloris Melton. Teresa's father would often reminisce fondly of her being an inquisitive and talkative child growing up before his passing in August of 2014.

Teresa graduated from West Haven High School in West Haven, CT in 1977. After high school she spent some time at the University of New Haven also in West Haven, CT. Realizing that college was not for her, she later became part of the cleaning staff for several hotel chains in New Haven, CT. She took pride in her work and would often talk about her on the job experiences. She always had an interesting story to tell.

Teresa or T, as we affectionately called her, was innately a kind-hearted and giving person. She will especially be remembered for her sense of humor and for her conviction to live life her way. She could find humor in every situation. She lived unapologetically to the beat of her own drum, not bothered by what others thought. She loved Diana Ross and could recite the words of any of her songs and would often love to impersonate her. She loved the wintertime, ice cream, sweaters, meeting and talking to people. She would speak to anyone and left an indubitable impression on everyone that met her.

“I’m ok. Don’t worry about me,” is what Teresa told her Mother just a few days before her departure from this world. Teresa, 61 years of age, passed away at Yale-New Haven Hospital (St. Raphael Campus) in New Haven, CT on November 26, 2020 – Thanksgiving, leaving behind a host of family and friends that love her.

Mrs. Melton and family would like to thank everyone who offered their support, prayers, and words of encouragement in this difficult time.

Viewing Service will be held on Monday December 7, 2020 from 1pm to 3pm at Gregory B. Levett & Sons Funeral Home and Crematory 914 Scenic Hwy, Lawrenceville, GA 30045 (770) 338-558. The viewing service capacity is limited for health safety purposes.

“ *Cousin David O Byrd from Philadelphia. I loved, and love, all my cousins on the Lee side of my family. We spent so much time together when we were young. We all drifted apart throughout life. But the memories I cherish will always keep us together.
Our condolences to my Connecticut Aunt and cousins.

“ *My heart is with you all at this precious dear time. Theresa was a wonderful happy and extremely chatty loving acquaintance. I am happy to say I was 1 of her Bus Operators at CT TRANSIT. She is the mother to one of my best friends and she always talked about her love of the cold and how she was going to move with her sister anyday now. She would fight that she was the prettiest and fairest of them all perhaps our true snow white of all of our hearts. R.I.P T.
YOU WILL SORELY BE MISSED. #operator 798 Love.Jasmine*
