“ *You and your family are in my heart and mind. I am deeply saddened by the news of your loss. I pray that God will grant you the strength. I can't imagine what you must be feeling right now. May care and love of those around you provide comfort and peace to get you through the days ahead. Despite the loss of the physical presence of your loved one. We know that God has assigned her to watch over you throughout your life.*

“ *My deepest condolences to Teresa's family and may God bless you and continue to give all of you strength. Your Mother was a strong woman who came to work in pain, but always tried to smile. We all miss her terribly and the 35th Floor will not be the same. Rest in Peace Teresa. You've earned this rest.*

“ *Words are not enough to say about my former co-worker and friend Teresa! No matter what was going on she always had a smile and joke to tell you to lift your spirits. She was dedicated to her children and loved them beyond measure. She will be missed but we know that she is with her heavenly Father. Take your rest Teresa!! We love you, but God loves you best!!*

“ My heart is heavy for the loss of my friend and former coworker Teresa. Teresa's warm, engaging personality brightened many of our days. Funny and smart, we loved and admired her strength, determination and perseverance no matter the challenges; and her boundless love for her children and family. I'm grateful to have known Teresa and the life lessons I've learned through her incredible journey. I pray that her children and all who loved her will take comfort in our risen and ascended Savior's gracious promise: " Do not let your hearts be troubled. Trust in God, trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you may be where I am" (John 14:1-3)
