“ Today, my heart is heavy. I knew I hadn't seen you around the Sam Nunn Atlanta Federal Center or at the Federal Annex commuter bus stop in a long while. I thought, perhaps, you had retired. To my astonishment, while in the SNAFC cafeteria speaking with one of your buddies I use to see you having lunch with, I learned you passed away nearly a year ago. So unbelievable. You were such a kind man. My thoughts and prayers go out to your family and friends. I pray they are comforted by the great memories they shared with you. I also pray that you are resting comfortably in Eternity with the Lord.

“ My family and I are sorry for your loss. The Bible at Revelations 21:4 promises a time when mourning will be no more. It also promises the human family will have the prospect of enjoying life without end, free from all sickness and disease. You have the prospect of being reunited with you loved ones right here on earth but under very different conditions.

“ I am at such a loss for words right now. I am praying for the family to find peace during this difficult time. Please know that if there is ANYTHING I can do I am at your disposal.

Terry has been my friend since June 2, 1989! We hit it off immediately. Without a doubt, he was my best friend, not just in in the fraternity, but in the world.

If you all need anything from me this weekend or at any other time, let me know. I can be reached at 901-494-9545.
