“ I first met Terrance 2013 by my cousin. We lost connection but linked back up 2018 and stayed in contact since then. We talked or text all the time even went to sleep on the phone sometimes lol. We had similar problems so we both could relate. I'm going to miss getting up in the morning and seeing a text saying Good Morning chocolate. We talked about anything and everything. I will miss and still can't believe it. You will be missed. Your chocolate drop Nicole
