“ I, too, met Terrica through my GodSis, Willa. The moment I saw her smile, I knew that she was someone that I would come to love! Her enthusiasm, love of family, and friends, but most of all, her faith in God is what made her the person that she was. Thank you, Terrica, for the laughs, prayers, car rides to the airport, but most importantly, being a TRUE friend to my GodSis! Your love and light will be missed! Goodnight, my Sisterfriend, I'll see you in the morning!

“ Sharing your sadness as you prepare to say goodbye to your loved one. Continue to rely on God and know that he hears your prayers. Thinking of you all.

“ I met Terrica through my Godsister Willa. From the moment I met her, she was so full of life, radiant. A pleasure to be around. She cared about people. Her genuine sisterhood/friendship to Willa is priceless. You don't have to blood related to be family, and Terrica is a true example of this statement. Keeping the family and friends in prayer. So glad I met her.
