“ I’m in disbelief, but God knows best. My heart hurts for the family. I meet Minister Scott briefly at her neighbors Mildred yard sale and she was such a pleasant person my spirit connected right way with hers and throughout our encounters we decided we was going to travel to California to visit Mildred, who recently moved there. I was waiting for the right time to take this little girls trip, but my God knows best. Michelle as I called her was a beautiful person and I Pray that her soul rest in eternal peace with the Lord. Amen. Blessings to the family, I’m praying for you all 🙏.

“ We are honored and blessed to have known Michelle. She was truly a woman of God and a blessing in our lives. The telephone conversations about our children and life. What am I going to do now? To the family, I know that this is hard but knowing how you all were raised I am sure that you all will find a way to keep her in your life and her all time favorite people, the grandkids. We, Gabrielle, Giselle, and Deborah Ard, will miss her greatly.

“ To the entire Scott family; you have been in my prayers daily and I am blessed to have met Michelle and volunteer with her these past 5 years. It is because of her that I started volunteering. She embraced me in her arms during a remembrance service 2 months after my daughter was killed. She spoke words of encouragement to me and she has been a very good friend and I will truly miss her so much. A woman of grace, humbleness and a servant not just in the four walls of the church but throughout the community. She was very straight to the point and was able to tell it like it is in a respectful way but you knew she meant business. She was bold and most importantly a woman of faith. My life has been enriched by her presence and I will continue to keep you all in my prayers and thank you for sharing her with us 💙💚💛🙏.
