“ I was so saddened to hear about Terry, I met Terry over 20 years ago in Smyrna. He was at his sister's house. I asked if he would come up and give me an estimate for house. Fast forward, he has done so much painting for my family, friends, me, etc. we also developed a friendship where we would talk regularly by phone about God, politics, what's going on in our lives. The last time I saw Terry a few months ago, he drove over to my house... he had asked me to look up some information for him to be mailed out. The last time I spoke with him by phone a few weeks ago after he had gone back from Brunswick...said he was getting tired easily and drove back to Atlanta. He thought very highly of Mike and Walter! I asked him to make an appointment to see a doctor and he said he was... peace be still to my friend Terry! You are truly missed!

“ I am deeply saddened to hear about the loss of my dear friend. Mr. Terry was a very kind gentleman, and he did work (painting jobs) for me and my church for many years. He was an excellent painter. His kind demeanor and pleasant conversations will be missed.

“ Terry was a special friend to our entire family. My dad, Bob Shelnutt, had so much respect for Terry and his work. We will miss him, we will miss his smile and most importantly, we will miss his kindness. We hope God holds each of you in his hands as you navigate a world without this kind, kind man. May God bless all of you. Terry was a blessing to all of us.
