“ When I had my knee surgery, the first person to show up was Terry with a week of meals prepared for Jim and me! (And they were really good meals too!) The lady could really cook! She always thought of us at Christmas and New Years. She was a dear friend for over 30 years! She was always kind and generous. You only had to ask for her help and she would be there. I almost never saw her other than cheerful. She was a second mother to my daughters. Thank you, Terry, for everything you have done for us. I hope my mother was there to greet you at Heaven's door. We will all miss you but I will especially miss my dear friend! Gundy
