“ Terry will be missed. He was loved. The kind and generous person that he was will always be remembered by my husband and me, as well as many others. He came to me in 1974 and told me he was going to photograph my wedding as his gift to me. He later presented us with a book of beautiful photographs. Over the years I think of him and how generous this gift was. Rest in peace Cuz.

You will be missed. We are grateful to have had you as a neighbor and family friend. You are one of the smartest technical minds we have ever met. There was nothing you could not fix or repair. You made our lives and our business so much easier and so much more productive. Rest In Peace my brother. David, Ann and the DaVIDO's Pizza family.
