“ My brother Thaddeus, we all are going to miss you Dearly! I will especially miss our phone conversations, and your infectious laugh. You fought a good fight during your hospitalization and I do wish you had won that fight, but for those of us left behind, we understand (and must accept) that our Lord and Savior always knows best. To our family, I recall reading somewhere that upon the death of our love ones and friends we should focus on the dash between a persons birth and death ((9 Jun 46 - 26 Dec 2019). Because this is the time we were fortunate to shared the presence of his life. Rest In Peace my Brother! “I Love You”.

*My brother; You will be eternally missed and I will always remember our last conversation. Somehow, I felt in my spirit that time was closing and you were not going to be with us much longer. I shared a story with you about Roslyn (our niece) and her last hospital visit. You didn't tell anyone how to live; instead you lived, and allowed others to watch you do it.*
