“ Perez and I have been friends since high school. My cousin introduced me to him and the Jackson brothers (Twins) from church. Years later I became a member of Poplar Springs and spent my formative young adult life with the Jackson and Bussey family as leaders.

Their faith inspired me and I grew spritually for many years under Rev. Ulysses Ponder.

Although I didn't spend much time with Perez when I grew older, I was there at his wedding and have seen him out before. Perez was always smiling and what I remember the most about him is his generosity. It sorrows my heart that he is no longer with us but I trust God that now he can rest well. Gone Too Soon!! my friend.

Love to the family, prayers and condolences. May he rest in peace.
