“ My deepest sympathy and condolences go out to the family. Mummie(as we called her) was a caring and delightful person in my life. She would be sure to fix my favorite foods when I visited..fish heads and pig nuckles. I am so glad I had an opportunity to visit her a couple of months before her passing and what a fantastic visit we had. When we talked on the phone, we never hung up without saying "I love you"...Although I am saddened by her passing, I take revelation in knowing we cared deeply for each other..I will truly miss my friend and buddy.
