“ Sharing your sadness as you say goodbye to your love ones. Our father of tender mercies has himself experience the loss of a love one. Pour out your hearts to him in prayer concerning your personal grief. Truly sorry for your loss.

“ *It's sad to hear that Ms Thelma has left us. I've known her all of my life, she was my mama best friend. I think of all the good times and laughter that they and our families had over the years. My Madea would say you couldn't ask for a better friend and neighbor, but she was like another aunt to me because they were like sisters. Sending my love and condolences to the family.*
