“ I thank my God for all that you deposited into my life. I can honestly say I have never ever spoken an ugly word to you or about you because you always showed “Love”. I shall never forget the words you spoke to me on your last visit to Augusta, you said what you always said when we ended any conversation “I love you”. You truly exemplified a redeemed woman of God. I will miss our once a week late night phone calls, but I will never forget your every act of kindness and your expressions of love.
