“ Ms. Thelma was our neighbor, she was full of life and funny at times. we only new her about four years and we look after her and when her light was not on at night I would call her and ask are you okay she said oh" my night light is not on and would laugh she say I thought you was being nosy but you're looking out for me. Occasionally I would go over and set with her because I new she was along. She would talk about her son Randy and Nevada. I am going to miss her and I know Randy is going to miss her more than I can imagine. Randy she loved you more than you would ever know and will always be with you, just call her name and God will bring back memories and she will be right there with you. May God bless the family and everyone new Ms. Thelma.
