“ *To the family of Mrs. Thelma Jones, our deepest sympathy to you'll. I had the honor and privilege of knowing the beautiful sweet Mrs. Thelma as we called her at the Ft. Gillem Beauty Salon. Up until the salon closed Mrs. Thelma always kept us in stitches. Never a dull moment. She was more than a client she was family. She was Mama, she was auntie, she was a friend but most of all she was a Woman of God.*
Family, she have received her crown. She is completely healed.
Family may the strength of the Lord comfort you and give you peace.
Love & Prayers,

“ Mrs. Thelma Copeland Jones was my cousin.. her and my father were second cousins. Recently she helped to identify our long lost sister. Our parents and grandparents had gone home to be with the Lord so we couldn't get any answers. Thelma told me conversations her and my father had. We laughed and talked several time, even made plans for me to come down to see her. But now she's resting with the angels. God had a different plan. I pray the peace that passes all understanding surround the family as they say their goodbyes. Gone but never forgotten. I thank God for the time we spent over the phone. Thank you Lord for memories. “ I never met Mrs. Jones but hearing Yolanda speak of her mom made her presence so surreal. I have never Yolanda physically but we became telephone and FB friends 7-8 years ago. Based upon our conversations I immediately sensed that Yolanda had great parents that she loved and was loved in return. God I pray that this family will continue to lean on you and keep the faith.
