“ *Rabbit, Monty, Kyla, Sandra, Jennifer - We are very sorry for your loss. Aunt Tootsie was my favorite aunt growing up. Though we've only had a few conversations over the past years, she was often in my thoughts and prayers. And as an impressionable teenager many, many years ago, she wasn't just my aunt, she was my friend. She also became my pen pal. I would write her letters about my life in New York and she would answer every one. She even sent me a gift of personalized stationery at one point so I could continue writing to her (in style). The kindness and attention she showed to me was indicative of the great person she was and I will remember it, and her, with love and gratitude until my own homegoing. May she rest in peace. God bless. -Shari Rollins Reyes*
