“ My deepest sympathy to the Preston Family and friends. Ted was a warm hearted and generous friend that gave of himself unconditionally to those fortunate to be in his circle. Whether he's known you 1 day or 10 years, he always found a way to reach out to you, letting you know you're in his thoughts. Teddy Press...you'll forever be in our thoughts and hearts.Miss & Love You!

“ To every thing there is a season, and a time to every purpose under the heaven;A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted.Ecclesiastes 3:1-2Nothing prepares us when a loved one is gone, but having faith and believing that the person is now in a better place brings comfort to our hearts. I pray that you and your family will stay encouraged. Always remember that God is still in control of every situation, and that he will never leave you, nor forsake you.Kina

“ To the Entire Preston Family. I was deeply saddend to hear of Ted's sudden death. Just one week before we spoke about having lunch and I was unable to reach him. During our conversation, Ted shared with me many intimate details about his personal issues he was facing but always kept a positive light on his feelings and outcome. I wish I could have done more to help him. May God Bless and Keep Ted in the positive light! I can only reflect on our fun times growing up in Jacksonville and Atlanta with Ted! He will be so very deeply missed! Ken Bateh Kennesaw, GA 678-641-8514
