“ *The "God of all comfort" is aware of your sorrow and "He sent his only-begotten Son into the world so that we might gain life through him." ~1 John 4:9. Jesus confirmed his role in the resurrection when he said..."I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." ~John 11:25. My condolences to you all...*

“ *I have many great memories of being with the Smith's during my youth. Mr. Smith & his family adopted us as their own & I am so blessed to have had those experiences because of the love & spiritual covering that he extended to my family. He was a father figure to me that I could look up to in the absence of my own. His light on this earth will surely be missed but great memories will keep it aglow in our hearts & minds. May our peace be in knowing that he is safe & secure with his heavenly Father & bound no more by the shackles & limitations of this life & that we will join him & see him again if we stay close to & seek the direction of our Creator God.*

“ I did not know when I met Therisa 19 years ago that I was not only gaining a best friend but a family. From the moment that I met Mr. Smith (aka "Pops") he loved me like a daughter this was such a blessing to me because I saw how much he truly did love his family and I was honored. Mr. Smith loved playing chess and bid whist, family cook outs, playing with his grandkids and talking on the phone. Pops enjoyed life to the fullest. I will miss his smile and his laugh and the twinkle in his eye he got when he saw his grandchildren or when he was up to something mischievous
I want to send my love to my sisters Therisa, Jackie and Susan and my brothers Ted and David and Josephine, as well as their extended families may God bless and keep you

“ *I have known Ted Smith for almost 20 years and just being by knowing this fine Christian man has been a blessing to my life. Although he will be missed tremendously by everyone that has known him, we all know that he is with God and right now is visiting with family and friends that went on before him. My prayers and loving thoughts are with Josephine, Therisa, Ted Jr. and other family members that I have not yet met personally.*

I am so honored to have known and have been a part of your family. Mr. Ted Smith was my Dad in the faith. He taught me so, so much about God and just life in general. I am so saddened to hear of our loss. My mother passed away 3 years ago and I remember her asking me just a few months before she passed, if I had heard from Mr. Smith. My mom hadn't seen Mr. Smith since the eighties but remembers how kind, loving, and concerned he was with helping her and my twin brother and I. Wow! What legacy he left. I truly will wait in anticipation to reunite with my Dad again. We shall see him at our resurrection.
