“ *As Christians we are our brother's keepers. We are to never seek to harm them, but continually build our brother up. My memories will be everlasting, especially our trip to Washington D.C. when Morris Brown played football against Howard University. It was the beginning of the great brotherly bond between the two of us. Rest In Peace my brother.*

Sincerely,

*Elder Clinton A. Murphy

“ I extend my sincere condolences to the family of Brother Theron "Ronnie" Pratter. I had the privilege of meeting Brother Ronnie in January 1977 while completing my senior honors fellowship at the Martin Luther King, Jr. Center for Non-violent Social Change Center. I united with the Beta Delta Chapter of Kappa Alpha Psi, Fraternity, Inc. (Morris Brown College), and met what would become life time friends through our great fraternity. The genuine and strong bond of fraternity was evident. Brother Ronnie was a lively and cheerful brother that loved to lead us in our singing fraternity songs, both they that were official and they were not. I loved hearing him lead us in singing one of his favorites, "All The Pins of Diamonds). I took this song with fond memories back to the campus of Michigan State University in East Lansing, Michigan (Delta Pi), when my academic work was completed in Atlanta. As a result of these great times, Beta Delta and Brother Ronnie will always be in my heart.

My prayers are forever with your family,
