“ OUR CONDOLENCES TO THOMAS COLEMAN FAMILY ON THE LOST OF YOUR LOVED ONE. THE REESE FAMILY CHARLENE, GLADYS AND VIRGINIA.

Virginia Reese - February 05 at 10:37 AM

“ Thank you for your leadership, your service, and for cultivating servant leadership within our community and across our state. Your generosity and genuine spirit were evident in every life you touched, and you were truly a blessing to the Crawford family. My late mother often referenced a story you once shared about immediately recognizing a person’s character as they drove through your hometown. Your character was unquestionable, and your legacy will live on through the countless people you impacted. You will be deeply missed and always remembered. Rest well, Omari J. Crawford

Omari Crawford - February 03 at 03:00 PM

Tom, I will always remember you as a person willing to listen and then jump in to help solve issues that came up daily in your service to the adults in the DeKalb community who had not completed there their elementary or high school education. You always answered the phone and jumped at the opportunities to serve. Your time spent with us at the DeKalb Technical College was special and productive. You will be missed. Dr. Mikel Richardson
