“ Sweet Thomo, I was always so happy to see your smiling face and get one of those big hugs from you. My heart aches for your family but I can't help but to smile thinking about you. I know you're in Gods hands and I know your grandfather was there to greet you.

*Kinaya and Daniel, there are no words that can bring comfort but I pray day by day that you find peace in his passing and continue to remember all the joy there is from his life. To be absent from the body is to be present with the Lord, and I know he's watching over you.*

*Love Missy*
