“ Ozzie worked for me at CarMax for many years. He was the most sincere, caring and passionate man I have ever met. Ozzie through his health concerns never once complained. He would always keep pushing forward and did what he could to provide for his family. Ozzie's life was his wife and two kids. I will never forget the conversations we had over the years about how proud he was of his family. Ozzie, rest in peace my good brother. We will miss you but you are now home with the angels. God bless you my friend!

Ozzie was in my wedding on August 8, 1964. We lived in the same neighborhood and I loved his mother. She took us to the pool and I went with her and Ozzie to see his cousins somewhere in East Atlanta. I lost touch with him and his family after I married a Marine and moved away. RIP Ozzie Powers

“ Dear Powers Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.
