“ About 40 plus years ago, my 1st cousin/dad said to me "let's go" as a teenager coming to the States in the middle of the racial tension in high school longing for home. you said to me give it time, it will be ok. there were days that I was really upset, in your famous way of few words yet poignant, you made it clear that I could count on you. My heart aches, and it's broken, years slip by and we think we have time. It's one thing to know the person is just a call away, I am grateful I was able to say bye to you before you left us. TJ you left your mark, you will be forever missed. But never forgotten you taught me to appreciate James Brown and all the oldies, big speakers in the basement... music loud and you trying to sing. lol ... those were some awesome memories. Thank you. I will forever hold you close. As I stated to you on April 29th, rest. God loves you more and Thank you... ALL MY LOVE

“ I was hoping to be a part of this service virtually; but it doesn't seem to be working for me.

So, I write this tribute to "TJ":

*TJ, it's with great sadness that I write this. I've known you since you "connected" with my sister, Mietta, You've been a delightful person to know. Not only did you take excellent care of her and the children, you welcomed us, the family, with opened arms whenever we came to visit. Never once have I seen you angry/upset. In a nutshell, YOU WERE A GOOD PERSON to know and be around.*

*It was such a pleasure to know you and I will miss your friendly voice and presence.*

*Thank you for being who you were to us, but especially to Mietta and the children.*

**REST, FOREVER, IN PEACE AND IN GOD'S MERCIFUL BOSSOM.**

*Sincerely,

“ *“Earth has no sorrow that Heaven cannot heal.”*

*Words cannot Express the depth of loss that I feel, but I know that one day we will meet again.*

*T. J. my brother, you will be missed. I feel blessed and privileged to have known you. You were like a big brother to me and I will never forget all the things you taught me and the memories we made while I was under your tutelage. We had some good times together and I happy that I I still have those memories to remember you until we meet again. Your children will always be my nieces and nephews. Rest in peace my brother

“ *We would like to extend our condolences to the family. In just a little while all of the pain and sorrow that we feel, from the death of our love ones will cease and be replaced with joy, because the former things have passed away. Thinking of you all.*
