“ My heart is heavy just processing that Tia has lefted us. Our paths crossed several years ago from the girls volleyball days, to many award ceremonies and their graduation. And when our paths took us in different directions and we didn't see each other often, when we did text or chat, we were all caught up. I witnessed Tia as a dedicated employee, kind coworker and a true friend. My prayers will continue for the entire Baxter Family.

“ Tia was definitely my work buddy. We have laughed and made fun memories from the graduating of our daughters to the purchase of my son's first car, and to the present times. Her smile, her friendship, her big heart, and her encouraging words... "I will miss." May God's peace and understanding be with the Baxter family.
