“...Her's was an extraordinary life and an example of God's mercy and grace abundantly. She was used by Him to give us a reality check as to the joy of "life giving" after a life has been lost, seriousness of not taking life for granted day by day, the blessings of a loving family and friends whose acts of love, care-giving, support and encouragement never ceased, and most importantly having a faith and love for God that was steadfast to the end.

Our sincere and deepest sympathy to our love ones in Christ (Mom-Teresa, Joe) and extended family.

Blessings
