“ Imagine the shock 😞 to hear you had passed. No we were not close friends but we were co workers. I was able to get a glimpse inside your heart and understood your passion for people and your helpful and giving heart. You served on my board of Directors briefly and your willingness to give of yourself meant a lot. The members, volunteers, and friends of M.A.D.I.O.C Inc (Making A Difference In Our Communities) pray for your family's strength and understanding at this time and appreciate your service to the people.

“ You shocked us with this one Tiff. You was so full of life, helpful, positive and we always shared a good laugh. We just broke bread together a couple weeks ago. I can remember you always telling me "girl you so silly, you keep me laughing'. Thanks for always laughing with me. I remember you loved to make beautiful bracelets. Even gave me one right off your arm one day. That was the kind of person you were. So kind with a good heart. I will miss you round the office. My sincerest condolences goes out to your family and loved ones. You will be missed. Farewell my friend but not goodbye. 🕊️
